Students who receive financial assistance from Title IV programs (Federal Pell Grant, Campus-Based Programs, Stafford Loans, PLUS Loans) and withdraw from school prior to completing more than 60% of the payment period are subject to the Return of the Title IV Funds requirements of the United States Department of Education.

## **RETURN OF TITLE IV FUNDS POLICY**

Students who receive financial assistance from Title IV programs (Federal Pell Grant, Campus-Based Programs, Stafford Loans, PLUS Loans) and withdraw from school prior to completing more than 60% of the payment period are subject to the Return of the Title IV Funds requirements of the United States Department of Education.

### **The Return of Title IV Funds procedure is as follows:**

1. Determine the percentage of the payment period the student completed. To determine the percentage, the number of clock hours, up to and including the students last day of attendance is divided by the number of hours in the payment period. Do not count excused absences as completed hours.
  - A. If the percentage is greater than 60%, 100% is used in step 3 below.
  - B. If this percentage is less than or equal to 60%, determine the clock hours completed in the payment period divided by the clock hours scheduled to be completed as of the date the student withdrew.
  - C. If this amount is less than 70%, the percentage from Step 1 above is used in Step 3 below.
  - D. If this amount is 70% or greater, the institution will determine the clock hours scheduled to be completed as of the date the student withdrew divided by the total clock hours in the payment period. This amount will be used in Step 3 below.
2. Determine the amount of aid earned by the student. The amount of aid the student earned for the payment period is determined by multiplying the percentage derived from Step 1 (a – d) by the total amount of Title IV aid that was disbursed or that could have been disbursed as of the students withdrawal date.
3. Compare the amount earned to the amount disbursed. If less aid was disbursed than was earned, the student may receive a post withdrawal disbursement for the difference. If more aid was disbursed than was earned, the difference is refunded back to the Title IV Programs.
4. Allocate responsibility for returning unearned aid between the school and student. Students who receive living expenses would be responsible for repayment of any unearned aid. If the students share of unearned funds that must be returned are attributed to a Title IV Loan program, then repayment will still be based under the terms and conditions of the promissory note. If the students share of the unearned funds that must be returned are attributed to a Title IV Grant Program, the initial amount to be returned will be reduced by 50%.
5. Distribute the unearned aid back to Title IV programs.

### **Refund Timeline and Refund Allocation**

The school will make refunds within 30 calendar days of the date the student officially withdraws or the date the school determines that the student has unofficially withdrawn. Refunds will be returned in the following order:

1. Unsubsidized Federal Stafford Loans/William Ford Direct Loans
2. Subsidized Federal Stafford Loans/William Ford Direct Loans
3. Federal Perkins Loan Program
4. Federal PLUS Loans/Direct PLUS Loans
5. Federal Pell Grant Program
6. Federal SEOG Program

7. Other Title IV Programs
8. Other Federal, State, private or institutional assistance
9. The Student

Refunds less than \$25.00 will not be made to Title IV programs. By signing the enrollment agreement, the student authorizes the institution to retain any amount of the refund that would be allocated to the Title IV, HEA loan programs.

Please be advised that this is only the Refund to Title IV refund. Once the school determines the amount of Title IV aid that the school may retain the institution will then calculate the institutional/accrediting agencies refund policy.

### **Reporting of Crimes & Annual Security Reports**

Campus safety and security are important issues at John Jay Beauty College. Our goal is to provide students with a safe environment in which to learn and to keep students, parents, and employees well informed about campus security. The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, or Clery Act, requires institutions of higher education to record and report certain information about campus safety, including the number of incidents of certain crimes on or near campus, some of which constitute sexual harassment under this Policy. John Jay Beauty College has designated the School Director as the contact person for reporting any problems relating to campus security issues and the reporting of crimes.

Each year the school prepares this report to comply with the Clery Act. The full text of this report can be located on the school's website at [www.johnjaybeautycollege.com](http://www.johnjaybeautycollege.com). This report is prepared in cooperation with the local law enforcement agencies around our campus. Each year notification is made to all enrolled students and employees that provides the web site to access this report. Copies of the report may also be obtained in person from the School Director or by calling (504) 467-2915. All prospective employees may also obtain a copy from the School Director.

### **Drug and Alcohol Abuse Prevention**

In accordance with the Drug Free Schools and Communities Act, John Jay Beauty College prohibits the unlawful possession, use, or distribution of illicit drugs and alcohol beverages by students, staff, and faculty on its property or as part of any of its activities.

Any student, staff, or faculty member who is involved with the unlawful possession, use, or distribution of illicit drugs or alcohol is subject to termination from John Jay Beauty College and referral for prosecution for violations of applicable local, state, and/or federal laws.

The school's Drug Free School Policy is published as part of the school's annual security report. This Policy is disseminated widely to the school community through publications, the school website, new employee orientations, student orientations, and other appropriate channels of communication. You may also contact the School Director for the complete Drug and Alcohol Abuse Policy and/or a list of professional treatment centers in the local area.

**SEXUAL HARASSMENT POLICIES & GRIEVANCE PROCEDURES**

**I. Policy**

It is the policy of John Jay Beauty College (the “School”) to maintain an environment for students, faculty, administrators, staff, and visitors that is free of all forms of discrimination and harassment, including sexual harassment. The School has enacted the Sexual Harassment Policies & Grievance Procedures (the “Policy”) to reflect and maintain its institutional values, to provide for fair and equitable procedures for determining when this Policy has been violated, and to provide recourse for individuals and the community in response to violations of this Policy.

The Policy can be found at the School’s website at [www.johnjaybeautycollege.com](http://www.johnjaybeautycollege.com) or obtained in person from the Title IX Coordinator (see below).

The School does not discriminate on the basis of sex in its educational, extracurricular, or other programs or in the context of employment. Sex discrimination is prohibited by Title IX of the Education Amendments of 1972, a federal law that provides:

*No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.*

This Policy prohibits all forms of sex discrimination, harassment, and misconduct, including sexual assault, domestic violence, dating violence, and stalking. The requirement not to discriminate in the School’s education programs or activities extends to admission. This Policy also prohibits retaliation against a person who has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy. Inquiries about the application of Title IX may be referred to the School’s Title IX coordinator, the U.S. Department of Education Office for Civil Rights, or both.

The School also prohibits other forms of discrimination and harassment, including discrimination and harassment on the basis of race, color, national origin, disability, or age in its programs and activities. The following person has been designated as the School’s Title IX Coordinator to handle inquiries regarding the non-discrimination policies, including Title IX:

John Jay Beauty College desires to create and sustain an anti-discriminatory environment and will not tolerate discrimination of any kind. The School will achieve this through education, orientation, and training for all students, staff, and faculty for the purpose of creating awareness of both the issues surrounding discrimination as well as accountability, sensitivity training, and anti-discrimination training in their classrooms, at least once while the student is in school.

## **II. Sexual Harassment Grievance Procedure**

Reports of sexual harassment should be made to the School's Title IX Coordinator or a designated School official. As set forth in the Policy, the School's designated School officials are the Title IX Coordinator, School Owner, and School Director. The School will respond promptly when it has actual knowledge of sexual harassment in its education programs or activities. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

The School will investigate all formal complaints of sexual harassment. A formal complaint must be in writing, filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent, and request that the School investigate the allegation of sexual harassment. A formal complaint form may be obtained from the Title IX Coordinator, although no particular form is required to submit a formal complaint so long as the complaint is in writing, signed by a complainant, alleges sexual harassment against a respondent, and requests an investigation. The School's Title IX Coordinator oversees the School's investigation, response to, and resolution of all reports of prohibited sexual harassment, and of related retaliation, involving students, faculty, and staff.

If all parties voluntarily agree to participate in an informal resolution that does not involve a full investigation and adjudication after receiving notice of a formal complaint and if the School determines that the particular formal complaint is appropriate for such a process, the School will facilitate an informal resolution to assist the parties in reaching a voluntary resolution. The School retains the discretion to determine which cases are appropriate for voluntary resolution.

The School will convene a hearing panel following the end of an investigation. The hearing panel determines whether the respondent is responsible or not responsible for a violation of the Policy. If the respondent is determined to be responsible, the hearing panel's written determination will include any disciplinary sanctions the School imposes on the respondent. The Policy provides that the parties have the right to appeal the hearing panel's determination under certain circumstances.
